What is Steven's Hope for Children?

Steven's Hope® is a 501c3 nonprofit organization dedicated to helping families with a seriously ill or injured child. Through its three programs, Steven's Hope® not only provides housing and other essential needs that may no longer be affordable, we offer them hope of a brighter future and family togetherness.

What is Winter Wonderland?

As family finances are stretched due to the cost of care for a sick child, the family's ability to celebrate the holidays is greatly reduced. Winter Wonderland, a project of the Steven's Hope® We Care Program, provides presents to the sick child and the siblings who otherwise may not have presents to open. Last year, we distributed over 7,500 toys and gifts to over 1,800 children at eight area hospitals and other nonprofit organizations.

How can I help?

There are four ways to be part of Winter Wonderland.

- 1. Adopt a child/family: provide gifts to a specific child or family*
- 2. Volunteer: Help with wrapping, party planning, toy drive collection, packaging, etc.*
- 3. Host a Toy Drive: collect new, unwrapped toys & gifts at your office, a party or social groups like Bible Study, Bunko, civic groups, etc.*
- 4. Be A Sponsor: There are several levels of financial sponsorships available. Sponsorships range from \$100 to \$10,000. Ask for sponsorship details and benefits.*

If you would like to be part of this project, please fill in the information below and fax to 909-981-4578, scan and send this to wonderland@stevenshope.org or call 909-373-0678 and ask for the Winter Wonderland Team. When we receive your interest sheet, we will contact you and provide you with information
