THE DRIVES TO SAVE LIVES GOLF CLASSIC

Now in its 16th year, this event combines sport, friends and philanthropy to impact the lives of families with seriously ill children.

Since the original tournament in 2003, this event is a major fundraiser for the programs and operations of Steven's Hope for Children.

Red Hill Country Club isn't a simple course. It can be challenging to all golfers. However, the scramble format is a great relief from the fairways and the deceptively challenging greens where four putts come like California taxes.

For those golfers that are high handicappers, this is the perfect event for you: two over is your max score per hole which will keep your CPS (cost per shot ratio) in line.

Of course, all golfers get free advice at the Triangle along with some burgers and plenty of craft brews to keep the aiming fluid topped off.

Following spending 4 1/2 hours on the links, join your fellow duffers in the banquet room where there is a hosted bar. Place your bids on dozens of silent and live auction items that will be available. Then, take a chance on one of the many raffle prizes to be given away during the banquet. If you or your company would like to donate an auction or raffle item, call Steven's Hope for details.

What golf tournament would be complete without a banquet and awards presentation? Well, we are no different!! Cash money will be given out for closest to the pins, longest drive, straightest drive and low gross score. So, be sure to test your "truth" skills when you turn in your scorecard to the clubhouse. The Drives To Save Lives Corporate Sponsor Trophy will once again be up for grabs to the sponsor with the best handicapped score. McEachron Construction will be competing to be the first ever back-to-back Champion.

To join in on the day, complete the form and fax or email to Steven's Hope. Not a golfer? Banquet tickets are available. Or sign up to volunteer. Just don't miss the 2019 Drives to Save Lives Golf Classic!

Steven's Hope.
